

## **ProStar Geocorp - Named To “10 Best Technology Solution Providers of 2018” by Industry Era**

ProStar Geocorp specializes in the development of Geospatial Intelligence Software™ designed to precisely capture, record, and provide visualization of what lies below the earth’s surface. ProStar’s solution is specifically designed to improve the entire asset management lifecycle of this infrastructure, including planning, construction, and maintenance. Today Industry Era Magazine has recognized **ProStar Geocorp** as “**10 Best Technology Solution Providers of 2018**”.

<https://www.industry-era.com/vendor-2018-technology2-Mapping-at-an-Entirely-New-Level.php>

ProStar Geocorp was nominated and selected by Industry Era annual comprehensive review process. Industry Era's editorial team analyzed approximately **500** companies that provide different Technology solutions and are at the forefront of tackling customer challenges. From that list, 25 companies were shortlisted and reviewed by a distinguished panel comprising of CEOs, CIOs and analysts, including the Industry Era editorial board, who ultimately decided the final top 10.

“To become a world leader in any discipline you must first be passionate, laser-beam focused, and have a clear vision of what your products and services provide.” said **Page Tucker, CEO, ProStar Geocorp**
